A Spectrum Odyssey
A Captain Scarlet Calendar

Foreword from Colonel White

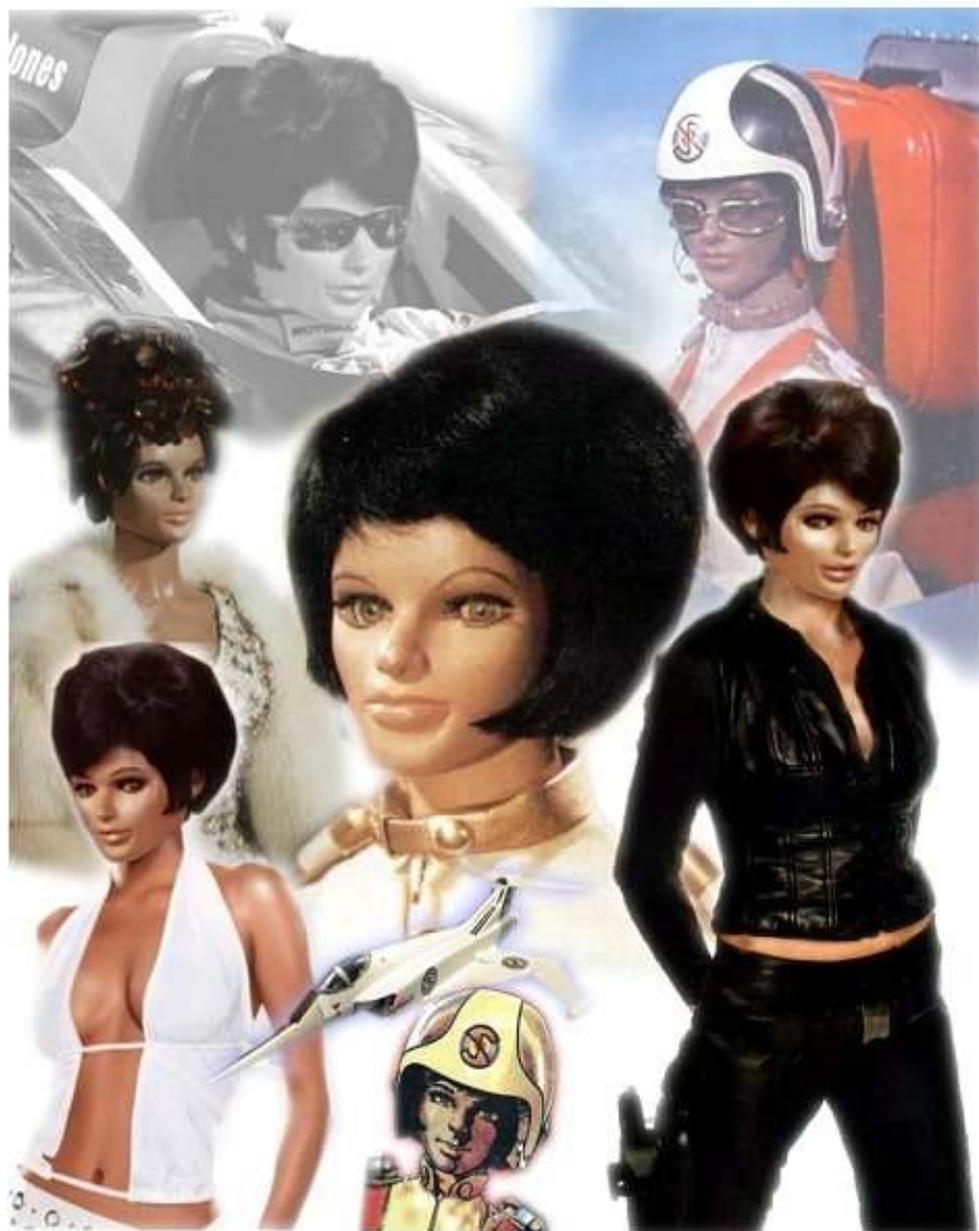

Once again, I welcome you to another edition of the Captain Scarlet calendar. In this iconic year we celebrate the lives of our brave men and women through a series of collages depicting their past and present, in varying guises at work and leisure.

On behalf of the members of Spectrum, I wish you a safe, happy and Mysteron-free year ahead.

Professional and Reliable

2010 A Spectrum Odyssey

We hope these montages don't cause offence, as they are intended as an affectionate tribute to our heroes and heroines. All original photos and heads of the characters in 'Captain Scarlet and the Mysterons' © belong to the companies who own the series. All the body pictures were taken from various sources on the 'net, and used without permission. The pictures of the characters from comic stories have been taken from various sources such as TV 21 magazine, and remain the property of the artists and owners.

The captions to describe each character have been derived from the character biographies in the Captain Scarlet Annual of 1967.

The background was created using a picture of Mars (used without permission) with a Spectrum logo superimposed over it.
