

SPECTRUM IS RUBY!

Calendar for 2020

A Special Edition ***'NEW CAPTAIN SCARLET'***

FOREWORD FROM COLONEL WHITE

Members of Spectrum,

It is with great pleasure that we are celebrating not one, but two important events in 2020. Indeed, in 2005, we saw New Captain Scarlet for the first time on television and the very first Captain Scarlet fan calendar, *Spectrum is Gorgeous*, also appeared on our screens. Both these ruby anniversaries are worthy of mention in our continuing fight in the War of Nerves - and the colour is only fitting!

The personnel of Skybase are therefore taking over this year in montages showcasing them at work, at play and in their previous careers. I am certain that having two Spectrum teams on duty will keep the Mysterons at bay once again for this year.
